EU REACH (SVHC-1610) Statement.

This statement concerns European Union regulation 1907/2006 of 18th December 2006 - Registration, Evaluation, Authorisation and Restriction of Chemicals, also known as REACH.

EC 1907/2006 entered into force on 01 June, 2007 and will be phased in until 2018.

The Insert Company (UK) Limited supports the basic aim of REACH in improving the protection of human health and the environment through better monitoring of chemical substances.

Our turned parts and components are defined as 'articles' in REACH Article 3 and are exempt from registration. Our products do not, and are not intended to release Substances of Very High Concern (SVHC's) into the environment under their normal working conditions.

We therefore confirm that The Insert Company (UK) Limited meets all applicable REACH requirements and that our products are in full compliance with REACH.

Mike Bratt
Managing Director
